

Mp3 Steps For Living, Inc. - Both Sides Of The Coin

[DOWNLOAD HERE](#)

"Piano solos by a cancer surgeon and a cancer survivor" a powerful artistic statement in the fight against cancer and the advocacy and awareness of cancer survivorship. 18 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: "Both Sides of the Coin" is an 18-track benefit CD raising public awareness for the realities of life after cancer. This first-of-its-kind compilation features heartwarming and inspiring original piano solos from a cancer surgeon and a cancer survivor, both of whom are accomplished recording artists and composers. Endorsed by Dana Farber, MD Anderson, NYU and renown health guru Dr. Bernie Siegel, this project is "a powerful musical statement in the fight against cancer and the advocacy and awareness of cancer survivorship". 100% of all net proceeds benefit Steps For Living, a passionate, survivor-led 501(c)3 nonprofit consumer advocacy group for cancer survivors and their loved ones. Steps For Living's mission is to increase the quality-of-life for people affected by cancer by ensuring that all survivors are provided with equal opportunity to access all of the free support services available to them.
