Smooth Jazz and Cool Vocals 11 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Vocals Details: TekNeek; JoyRide Simply put, Smooth Jazz at its best!!! With Grammy Award - winning producer Phil Davis (Boney James, Alex Bugnon, Norman Brown, Al Jareau, and Walter Beasley) and Producer/Engineer Denny Jiosa (Yolanda Adams, Ben Tankard, Kirk Whalum, and Take 6), you'll be sure to enjoy this new release from TekNeek. Following their first release "Point of View" (UAB-E/Tyscot/Polygram) with JoyRide (TekSouth), will show this band is here for the long run. If you love Saxophone, Guitar, and Piano, you won't have to make any choices here. From the coolest guitar licks, to riveting sax, to smooth piano, you'll have more than you need on your musical plate to savor. And the cool vocals of Cheryl Hunter add just the right flavor to complement these fabulous instrumentalists. I can truly say, once you hit play on track #1, you won't have to do anything else until the end. Listen and enjoy the Ride.
