Details: Loyd (The Human) Vandergriff is a singer-songwriter from Visalia, California. He is the heart and soul of The Human Project. His music fuses blues rock, southern rock, and classic rock into a hot potent sound that embraces the common man and blue collar worker. It creates an ambiance that will get you snapping your fingers, patting yo feet, and probably popping a cold one while you're at it. The Human is blessed the ability to illustrate life through his music. Dripping with authenticity, his vocals provide a pleasurable sense of nostalgia that draws you in. He speaks a common language that creates common ground with his fans. The Human is backed by a killer band led by the fantastic Dwayne Janzen on lead guitar, Ron Greeley on drums and Bryan Beal on bass. Make sure to check out the southern rock driven Jimmy's Juke Joint, the classic rock anthem Standing In The Shadows, and the hot blue and righteous sound of Stormy Night in Texas.
