

Mp3 The Lightning Bug Situation - Pop: Quirky

[DOWNLOAD HERE](#)

Brian's kickass solo album - released in 2006 14 MP3 Songs POP: Quirky, FOLK: Folk Pop Details: From the pages of Jane Magazine: "The Lightning Bug Situation is Brian Miller's newest beautiful, heartwrenching album..." From NPR.org: "The Lightning Bug Situation crafts artful pop, mixing standard guitars, bass, drums, drum machines, piano, and keyboards with musical saw, accordion, concertina, clarinet, french horn, and banjo. The sound is distinctive and intimate." The Lightning Bug Situation is the nom de plume of Brian Miller (a.k.a one half of The Speakers). Brian has also been the guitarist for Jolie Holland for the last 6 years and appears on her first two albums, "Catalpa" and "Escondida," and appears on and helped write songs for her third album, "Springtime Can Kill You."
