Enhance your visionquests with these hypnotic sounds. You won't find more power on any CD anywhere. 19 MP3 Songs ELECTRONIC: Industrial, ROCK: Psychedelic Details: The Relayers are neo-shamanic techno-warriors, instructed through gnosis to infuse spiritual healing power into sound. Their powerful and immersive incantations appeal to magicians from varied backgrounds and disciplines. Every exit is an entrance. "Behold The Exit" represents birth, death, the cutting of ties with malevolent influences, the breaking of boundaries and bonds of slavery, becoming non-local, and the recognition and use of portals to hyperdimensional nether-regions. It is a set of magical incantations specifically designed to induce expanded consciousness, synesthesia, out of body experiences, various visionary states, and ecstatic trance.
