Start calculating your total ClickBank profits and/or commissions with this new and simple to use desktop software... With this desktop software you can start to... Calculate Your Total Net Profit Per Sale - You will be able to find out exactly how much you will profit after ClickBank takes out their fees and your affiliates are paid, per sale! Calculate The Commissions You Will Make - If you are an affiliate marketer you will be able to find out exactly how much your commission will be per sale on any product you're promoting through ClickBank. Calculate Both With And With Out Affiliate Commissions - Using the software makes it easy to calculate how much you will make with both paying an affiliate and not paying an affiliate per sale, after all...you do promote your own products don't you! Find Out How Much ClickBank Gets - One important thing you will need to know is, how does ClickBank REALLY get out of each sale made. Well, this software will let you know in just seconds. Add More Profits - Using the calculator will actually start to add more profits to your total made. You will be able to see what the MOST you can charge is and still have your affiliates make a nice little piece as well. Save Time And Money - You won't have to worry about wasting time charging to little and not making what you need to. You will instantly know what to charge and who gets what BEFORE you start selling your product or service. Make Sure Your Charge Enough - With the calculator, you will know that you are charging enough to cover your expenses and still make a profit on each sale. This is important because if you are not making a profit you are wasting your time! These are all very important things to know and now you can get all of this information just by opening a piece of software on your own PC.
