Discover The Secrets to Becoming A Journalist! Exclusive Offer! Never Before Revealed Information! Are you looking for a way to make money writing? Have you been considering a career in journalism but are not sure what to expect if you embark on such a career? Have you been toying with the idea of going to school for writing but are not sure if it will pay off? If so, then you most likely have some questions that need to be answered when it comes to journalism and the career choices it offers. The field of journalism has changed dramatically over the past 10 years and is still evolving. However, the same rules of basic journalism apply to all types of news and magazine writing - be it off line or online. Although the game has changed, the rules remain the same. If you are looking for advice on a journalism career, you have come to the right place. You keep having these symptoms that feel like a heart attack. Pain in the chest, pressure in the chest, and so on. So you decide to go to the emergency room to get it checked out. However, much to your surprise, they tell you that you are not having a heart attack. You spend a few hours taking all of these tests only for them to tell you that its not what you thought it was. The best advice comes from someone who has been there! In order to give advice about journalism, you need to know something about the field and also have worked in it for at least a few years. There are many career advice books on the market, but most are not written from the perspective of someone who has chosen that career path for themselves. If you are looking for a way to get career advice about the field of journalism, you need to look for a book that is written by a real journalist.
