To win the woman of his dreams, Parker takes matters into his own hands. And finds out the West is wilder than he ever imagined! Just take her. The advice seems radical, but Parker West is desperate. Try as he might, he cannot convince Celia Evans to marry him in the usual way, even after five years of courtship. Kidnapping her is drastic and rash, but he figures he has little left to lose. Even though Celia is furious at being summarily tied up and carried off to the mountains, she finds she likes the sparks that fly when the normally cool Parker shows his more assertive side. At his secluded cabin, she finds out exactly what it means to be a woman, and that what she fought against all along is true: Under his normally reserved exterior, Parker is the lover of her dreams. And when riled, he can give a girl a very wild, intensely pleasurable ride. But theres a range war simmering, and the threat on the horizon takes the form of one very vindictive, crooked rancher. He wants Celia all to himself and will stop at nothing to get her.
