Dustin Walker has no idea that avoiding the search for Mrs. Right could send him into the arms and bed of Mr. Right Now. According to Dustin's mother, he should be out looking for his next wife so he won't be the divorced black sheep of the family. Instead, he passes his free time at a local bar and pool hall, where he meets someone who's everything his ex-wife wasn't: funny, caring, faithful... and male. Is Brandon Stewart just Dustin's way of getting over a bitter divorce? Can Dustin really care for him, or is it simply that Brandon is the complete opposite of his ex-wife? Dustin keeps their affair as quiet as possible, because if it continues, he knows he'll eventually have to come out to his homophobic family or walk out on the man he's trying not to love.
