This is the Andante- Allegro non troppo recorded by the BBC Symphony Orchestra conducted by Sir Adrian Boult in 1934. Robert Cowen writes in Gramophone for December 2008: I was happy to encounter Beulahs expert transfer/remastering of Sir Adrian Boult's first recording of Schubert's Ninth, a brilliantly executed performance (BBCSO), swift and breezy, and, as almost always with Boult, acutely structure-conscious. Boult's orchestra was in the virtuoso league...The precision is wondrous to hear...You will find yourself noticing things you have never heard before... Rob Barnett at Classical Music on the Web Boult's 1934 Great C major has long been a favourite of mine and it's good to see it available once again and in very good sound. Although Boult recorded this work towards the end of his life, with the London Philharmonic, this performance has a freshness and sparkle. - Bob Briggs at Music Web International
