A wealthy benefactor with psychic powers battles to gain control... Sitting in her plush Manhattan office, Carrie Phillips receives a phone call from her distraught best friend, Roxanne, an artist who lives on the Caribbean island of St. Lucia. Roxanne is afraid that someone is trying to kill her and she thinks the attempts on her life might be connected to her mysterious trust fund. As the girls follow the money trail, they discover that Roxanne's benefactor has a deep and insidious interest in both of their fates. The benefactor offers a tempting deal but the price must be paid in blood. His need for control knows no bounds, and only their courage and deep bond can keep them from succumbing to his sinister plans. When Roxanne goes missing, Carrie must prevail against the benefactor's stupendous wealth and paranormal powers - or pay the ultimate price.
