Design of a Lifetime Kimberly Kaye Terry Karina Woodson works long and hard to make her web-design business, Design of a Lifetime, a success. So much so that she's totally neglected her nonexistent love life. When her best friend tells her she needs to loosen up and expand her horizons, Karina takes her suggestion to heart. A one-night stand with a sexy, blue-eyed, stranger turns into an erotic adventure beyond her wildest imagination. Karina wonders if she's just made the stupidest mistake of her life or if there can be something more between them than one night of out-of-this-world, erotic pleasure. When Cooper Tolson meets the sexy, slightly frumpy Karina, there's just something about the sway of her full hips and her off-the-wall sense of humor that captures his attention-along with his libido. What he doesn't count on is the effect their night of pleasure will have on him. He's unable to get the pretty, full-figured designer out of his mind and he sets out on a course to convince her that their night of pleasure can be something more.
