Call Me Barbarian By Liddy Midnight Princess Cedilla enjoys unprecedented privilege in a society where women are neither seen nor heard. Her life changes when twin barbarian gladiators enter the arena. One glance and Cedilla is irrevocably bound to these Southern warriors-and revealed as half-barbarian herself. Whether in the arena or the bedchamber, Asterix and Apostroph live for the moment-until they find their destined mate. When Cedilla is banished by the Emperor, they devote themselves to satisfying her wildest desires. But the Empire needs Cedilla, and the Empire is intolerant of barbarians...

Dragonmagic By Allyson James It's hell to be a dragon enslaved. Arys, a powerful silver dragon in human form, is bound to a witch who uses his magic and his body to pleasure her in every way imaginable.

When Arys spies Naida, a young woman just coming into her powers, watching Arys performing erotic acts with the witch, he knows that Naida is the key to his freedom. First he must convince Naida she's his true mate and that the power of their sexual play, and her love, will release him. Fallen For You By Paige Cuccaro For ten thousand years, Zade's warrior mentality kept him focused on the Watcher's mission-rid the world of the OscuritÃf fallen angels. And then the witch Isabel came under his care. The OscuritÃf

will be coming to possess her or kill her, drawn by her burgeoning powers. Isabel is a temptation they can't ignore, but neither can Zade. If he succumbs to his feelings, Zade's frozen soul could destroy Isabel. If he resists, his unsatisfied need may cost him everything. To save all he holds dear, Zade must trust that Isabel was born for him, and he has fallen for her. *Spontaneous Combustion* By Nicole Austin Dr. Madailein Flannagan's carnal desires are blazing deep inside, and her best friend Jake Cruise is just the man to fan the flames. But the sexy, bad boy firefighter goes for equally bad girls, and Maddy's afraid she's just not his type. Although lately she has been fantasizing about Jake and a few of his friends. Jake thinks that Maddy is way out of his league, but he knows that she can't refuse a challenge. And he's come up with an irresistible dare guaranteed to send her body up in flames, gain her submission, and maybe even win her heart. *The Ambassador's Widow* By Myla Jackson Chameleon Agent Andre Batello is sent on assignment to "fill in" for an ambassador who died the night before a long-negotiated peace treaty is due to be signed. As part of a special team of individuals with the ability to assume another's identity based on a single strand of DNA, Andre's mission is to infiltrate the ambassador's life and sign that treaty. The one major glitch in his mission: he didn't plan on falling in love with the ambassador's widow. *The Joining* By Jory Strong On the water world of Qumaar, Siria Chaton is a prisoner of her talent. With her credits dwindling, she has few options and little hope for a future. Until Jett and Mozaiic du'Zehren enter her life. After five years of being a couple, Jett and Mozaiic have gained permission to add a third, a woman, to their joining. They can't believe their good fortune when the woman assigned to them is a water diviner. Now if only she'll accept them as lovers and come home with them to the forbidden desert planet of Adjara.
