Harvest Heat Carol Lynne Touring Australia before starting his life as a lawyer back in Kansas seems like the perfect escape for James. A trip to the Mandarra Horticultural Show has him itching to work on an authentic Australian farm. What he doesn't expect to find in the bush is a field of sunflowers and a man who makes him tremble with need. Lochlan has resigned himself to living alone in the Australian bush. Since returning from Sydney to run the family property, he's put his sexual desires on hold, knowing his mates would never understand. When he takes a chance and hires a young good-looking tourist to help him on the homestead, Lochie begins to wonder just how heated this year's harvest will be. Will he be able to put worries aside and take a chance on love?
