Title: Last Exit. ISBN 0 9548368 0 4 Format: eNovel, approx 90,000 words. Genre: Futuristic Crime Thriller - if you like Michael Marshall Smith or Richard Morgan, you'll like this. Looking for a way out? There isn't one. At least that's what Pro Parker has always been told about Mode City: nothing goes out, and nothing comes in. With a girlfriend who's close to realising he's a loser, and a teenage ward who only speaks during commercial breaks, a way out is something that Pro would give his last dollar for right now. But his last dollar has just been stolen along with the rest of his money, and the only hope of seeing it again lies in cutting a deal with the biggest criminal in Mode. That wouldn't be a problem, except that there's a queue of smaller criminals forming and each one's holding an IOU. Finding himself thrown headlong into a struggle that involves the most powerful men in the city, Pro realises that his troubles are only just beginning, and that a smart mouth and a big gun might not be enough to save his skin this time. In fact the key to reclaiming his life rests in a search for the impossible: the last exit. Author: Fahy, J.P.
