Love Out Loud Marilyn Lee Book 2 in the Long Line of Love series As her thirty-first birthday approaches, plain but passionate accountant Benai Peters' romantic prospects improve when she attracts the attention of her best friend's brother-in-law at the wedding rehearsal dinner. The only problem is the handsome Randall Grayhawk mistakenly thinks she belongs to his older brother, the equally handsome but brooding Bancroft. Which means Benai is off limits to all the other Grayhawk brothers unless she can convince Randall that the two of them belong together. The Grayhawk brothers have never vied for the attention of the same woman-until Randall finds himself falling hard for Benai. Despite his struggles and best intentions, he's reluctantly drawn into a steamy sexual and emotional relationship with her that threatens to destroy his cherished relationship with Bancroft and force the other Grayhawk brothers to take sides.
