Love has the power to bring even the strongest man to his knees, or it can give a man his soul back. "I am just a trainer not a Master" Gina heard these words many times from Michael. But she knew in her heart that he was her only Master. After living a lie for the last twenty years, Gina had no intention of just letting Michael go. Even though he trained her to be with Master Drake, he was the one she wanted to be with. Michael had trained many submissives. He was foolish enough to fall in love with one of these submissives once. He has no desire to do it again. When Gina proclaims her love for him, Michael wants nothing more than to run, because he knows he could easily love her. Michael has to confront his past before he can even begin to concentrate on the present. Michael makes a visit to Master Nikolai to witness Jade's collaring before he heads to Master Drake's island. He has trained three new submissives for Drake, Gina included. When he can no longer deny his feelings for Gina he is forced to confront Master Dante, he must meet the man who stole his first love from him. He has to bury his past, because he is finding it harder to push Gina away. Michael must decide if he is strong enough to be Gina's Master or is she better off with Master Drake.
