When Shane Durban buys a mirror supposedly made by Rebecca Nurse, one of Salem's witches, he's in for the ride of his life. One full moon night, Shane touches the mirror and finds himself suddenly thrust into another time and place. He ends up in the old west, in the middle of the desert, trying to survive both the heat and a group of outlaws out for some fun. That's when he meets Navezgane, an Apache warrior who is seeking revenge for the slaughtering of his tribe by the white man. And who better to help him find the last man responsible for the death of his loved ones, than someone who can take him into a white town, who can fit in where Navezgane never could?
