Wordpress Membership Site Using Wordpress and Free Plug-Ins PERSONAL USE RIGHTS ONLY!
Wordpress is the easiest way to create a money making membership site and these step by step videos will show you how. Let us tell you a little bit about membership sites. There's no better way to make a steady income on the Internet. You basically make a sale once and get paid for as long as that customer stays a member. If you provide quality content and great value, people will stay members for a LONG time. The problem that many people run into is putting it all together. Many people have a great idea or a great product or service to offer but they are stuck on the membership part of the equation. Some of the membership software out there is very expensive and very complicated. What the beginner is looking for is something inexpensive (or free) that will do the job for them and is easy to implement. That's where WORDPRESS comes in. Wordpress is a powerful blogging system that can be used in many ways - including content management. By adding the right (free) plug-ins to Wordpress you can turn it into one powerful membership site that the search engines will love. ...And The Hard Works Been Done For You! This Four Part Video Series takes you through the whole thing - step by step - and we've even included

the crucial (free) plug-in that will turn your Wordpress Blog into your very own membership site. There's nothing further to purchase! In these videos you will learn the following: * How To Install Wordpress (Cpanel and Manually) * Where to get the plug-ins to make your site more functional * Which plug-ins to use to make your site search engine friendly * How to set up a single level recurring membership site * How to set up a multiple level single payment site Once you get these videos and follow the instructions, almost anybody can have a site up and running within a couple of hours. There's nothing more you need to purchase - and everything is included here. (*You will need a domain name and php hosting.) Literally days were spent figuring out how to modify the plug-in and use it plus getting these great videos created. No, we didn't do it, but you didn't have to either - it's all been done for us. So How Much Is This Going To Cost You? Not \$67...Not \$47...Not Even \$27!
