[DOWNLOAD HERE](#)

Hootananny Soul is the title A immingle of country,funk and Soul 17 MP3 Songs COUNTRY: Modern Country, URBAN/R&B: Present-day urban Good Livin Songs Details: Al Caldwell and the Travelin Pitch-black Hillbilly's are the new band on the block. They play multiple instruments and Al's main instruments are Banjo and the 9 string up bass. The banjo came from Africa. It's been almost 100 years since an African -American has been featured as a banjo player in today's modern music. The "Good Livin" CD consist of 17 tracks of feel good music. It also has the Dance hit "Hump and Hollar" .The bands music is fun to listen to and it takes you on a musical journey. With songs like "Drinking Gin", you can almost see the back porch. You can also check out the web site for up and coming tour events. Al Caldwell also tours with different bands. He's currently recording and touring with Vanessa Williams. He's been performing with her for the last 7 years. Al Caldwell is also a bass instructor and has a bass web site at 9string upbass.com. You can also check on the Travelin Pitch-black Hillbilly's at tbhillbilly.com. "I hope this feel good music gives you that down home flavor that makes you smile a while." This music is availible on apple i-tunes. Buy it 2000 times so that I can get more lessons! Thanks ....
