ASH has united three continents, keeping high musical standards and eclectic sounds brought alive by different cultures. So, what happens when three talented musicians from Africa, Europe and America get together and play? 13 MP3 Songs WORLD: World Beat, WORLD: African Details: Welcome to ASH ASH is a multi-cultural project created by three friends with soul, love and musical creativity. Marcel Adjibi from Benin, Cees van der Linden from the Netherlands and Martin Flores from the USA bring a new sound to African pop music, blending and fusing jazz, pop and musical influences from all the continents. With instigator Cees at the helm, Marcel's mesmerizing vocals and Martin's tequila-flavored drums and percussion, ASH joins in the art of mature world music. Communiqu, ASH's debut album, is vibrant, upbeat and sometimes contemplative, with a strong message of hope. Marcel, Cees and Martin believe that it is essential for people to communicate and to be aware of their lives meaning. With lyrics in English, French and Goun, Communiqu hits you with joy and positive energy, that will either make your head bop or give you a serious work-out on the dance floor.
