Baby Jay puts positive spin on hip-hop/rap 16 MP3 Songs HIP HOP/RAP: Hip Hop, LATIN: Latin Rap  
Details: Baby Jay, started dancing at the age of 4 and rapping at about the age of 6! He started creating a local buzz, Houston, TX, performing at parties, talent shows and quinceneras "fifteens". Now only 15 years old, Baby Jay has experienced a challenging life, but he has continued to do well in school and has stayed on the right path through music and keeping God first in his life! Since the age of 8, Baby Jay has written about his life and it comes from the heart. He has transferred his emotions and feelings in his lyrics and is determined to express himself in his performances. In addition to the Latin roots in his music, Baby Jay has the heart and the soul of the likes of Lil Romeo Bow Wow. He loves to dance and entertains the public with a positive message. Baby Jay is mature, self-confident, dedicated, responsible, and possesses a genuine humility of spirit far beyond his years. His incredible talent, both as a rapper and lyricist is surpassed only by his presence on stage. He has a rare quality that eludes definition and is much more than just 'charisma'; rather a mixture of innocence and experience that creates a powerful performance! "When I think of the artists who have most influenced me as a rapper I think of 2-Pac, Jay Z, L.L. Cool J., and Will Smith," "And people close to me like my parents and my manager inspire me to make my dreams come true". "Family means alot to me", said Baby Jay. Even through adversity struggle, Baby Jay still had the strength and the perception to dream big. Again, maturity has come fast for Baby Jay and his decision to work hard has moved him into the music career he wants. In 2005 and 2006, Baby Jay performed at numerous events, including the Cinco de Mayo Festival at the George R. Brown, and the Fiestas Patrias at the Reliant Center! On Aug. 18, 2005, Baby Jay made a special guest performance with Peter Yarrow and Paul of the legendary folk group "Peter, Paul, Mary" at the Verizon Wireless Theater, in Houston, TX! In 2006, Baby Jay received the opportunity again to perform with Peter

Yarrow at East Side Community High School in New York! On March 17, 2006, Baby Jay also had his music video premiere in Manhattan, New York! Baby Jay has also donated his talent to help raise thousands of dollars for Cure Autism Now Foundation. Baby Jay's debut album "Keepin It Real" official online CD release is Sat. Nov. 4th, with official in store release coming soon, Spring 2007! For more information, please contact Rolando Cuellar for Roland Entertainment 713.674.1984
