A warm, soothing recording, but also deep and personal and at times deeply moving. 12 MP3 Songs  
POP: Folkly Pop, FOLK: Folk Pop Details: Confession was recorded in 1995 by Denny Bridges, assistant engineer to George Martin of Beatles fame throughout the 1980s. It is a warm, soothing recording, but also deep and personal and at times deeply moving. Many of Bar's fans report that they listen to this CD to calm down or when they are feeling in need of comfort. Bar performs primarily on acoustic guitar, but also on piano in several songs. She is accompanied by Carol Sharar on viola and violin, Mary Schneider on french horn, Jay Scott on acoustic guitars, Josh Neretin on percussion and John Arbo and Peter Schoenberger on bass. Reviews for this record continue to be outstanding. A good CD to have in your collection.
