60's POP.. Biggest influences: Beatles Rubber Soul/Revolver albums.... 12 MP3 Songs POP: 60's Pop, ROCK: Classic Rock Details: The new album "Westminster Holiday" from Brian McGuire is a throwback to the pop explosion of the 60's. McGuire manages to capture the magic of classic album making, wearing many of his music influences on his sleeves. The two biggest album influences according to McGuire are the Beatles Rubber Soul, and Revolver albums. Westminster Holiday wraps you up in warm harmonies combined with catchy melodies.... Like his hero's before him, McGuire combines traditional western instruments with exotic eastern instruments ala Sitar, Tambura, and Tabla, on selected tracks. McGuire teams up with fellow pop maniac Charley Dush in St. Paul, who recorded and mixed the album. Take the magical mystery tour on a Westminster Holiday. You'll be glad you did.....
