A blend of song and scripture in a simple style that is soothing to the soul. 10 MP3 Songs GOSPEL: Traditional Gospel, KIDS/FAMILY: Kid Friendly Details: Singing has always been a part of life. Carolyn Turner Filer grew up singing and playing piano, at home, with family, with friends, at church. As an adult, music study continued with private teachers and later, as a non-traditional student at the college level. This CD was made with a goal of showing forth the love of our Heavenly Father through His Son, Jesus, and the peace that a personal relationship with Him can bring. A Story of Love is a compilation of song and scripture. There are old hymns and some recent songs, all telling of the love of Jesus, and sung in a manner soothing to the soul. This is a great CD to listen to when winding down at the end of the day.
