

## Mp3 Chris Denem - Heart Of Stone

[DOWNLOAD HERE](#)

A unique blend of rock and country with strong melodies and distinctive vocal 10 MP3 Songs COUNTRY: Country Rock, ROCK: Classic Rock Details: Chris Denem is a singer/songwriter with a style that could be classified asAmericano/Classic Country Rock. He has attracted a loyal following in the Northeastern U.S. and is based in Western Pennsylvania. Chris 2004 album, "Heart of Stone", features a beautiful live string quintet on five tracks and was recorded exclusively in Nashville. The mix was engineered by the legendary Jim Cotton (Alabama, Lacy J. Dalton, and countless others)at Emerald's 16th Avenue Studio. As a studio singer, Chris has recorded close to 60 of his own original songs, plus has recorded company hype tapes for notable establishments such as: Allied Fisher Scientific, Mellon Bank, and Pittsburgh Parade of Homes. He also recorded a commercial for Western Pennsylvania Volvo Dealers which aired on Pittsburgh Radio and TV for six years. Chris recently recorded six more original songs at the Tracking Room of Emerald Studios in Nashville. The project was produced and engineered by Butch Carr. Respected persons in the music industry have good things to say about Chris Denem: Dave Loggins (famous Nashville songwriter)-"I like your singing and lyric style." Jerry Reed (Jeree Recording Studio, New Brighton, PA)-"I have known Chris Denem for many years, as a friend and musician, he amazes me with his song writing ability, very versatile and unique. When on stage his presence is always relaxing and enjoyable. He is a man dedicated to the pursuit of excellence in writing and singing." Jim Cotton, famous Nashville engineer your style is comparable to the classic County Rock artists of our time.
