Afro-Cuban jazz and folkloric music 7 MP3 Songs LATIN: Latin Jazz, WORLD: Island Details:

Afrocubanismo! presents a summit of master musicians, a gathering unlike any other in the world. The recording revolves around one group that is the musical center for six of the seven selections: Chucho Valds and Irakere. "Irakere" means forest or woods. Two centuries ago, the greatest African percussionists lived in a region called Irakere. Their descendants brought this music to Cuba and it formed the rhythmic foundation for Cuban music.
