

## Mp3 Chuck & Mud - It's About Time!

[DOWNLOAD HERE](#)

Original Folk Americana sung and played directly from the heart. 14 MP3 Songs FOLK: Modern Folk, FOLK: Traditional Folk Details: They may have started out as just a couple of folks with guitars, but theyve ended up a cherished institution. Joe Longone, The Worcester Phoenix Chuck Mud have helped to maintain the folk music and songwriting scene in central New England for over a quarter of a century. This husband and wife duo have won popular and critical award for their performances and songwriting, and theyve produced three albums and a DVD full of musical stories of friends and family, love, and places of the heart original songs and folk classics. Mud is truly one of the best voices you will ever hear. Their guitars compliment each other, Mud often finger picking her 6-string and Chuck uniquely chording his 12-. Chuck Mud are joined by long-time Hole in the Damners, Sten Gustavson on piano keyboards, Walter Crockett on lead acoustic guitar, Mark Manuel on electric bass, Dave Nelson on drums, and special guests Bob Dick, Myra MacLeod, Fran McConville, Dave DiBiasio and David Bonneau.
