A whole new hip-hop. 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: 200 Proof Endeavorz is a company determined for success. The company's owner Good Will founded 200 Proof Endeavorz in 2005 after meeting local Pittsburgh artist Damien Voxx who at the time was in dire need of production and studio access. Instantly the pair joined forces as FUZION to produce a sound which can only be described as street poetry. The diverse style of Good Will's production, and the deep lyrical track education of Damien Voxx was a perfect fit to produce a sound that until now was otherwise nonexistent, it was almost as if fate played a hand in the two getting together and have just recently completed their first full length album scheduled to release November 25th, 2006. This album contains music for the people who want to hear it, and is not conformed to a generation of music focused on money, jewelry, cars, and guns. The pair released a demo in 2005 and got a strong response for it after being very limited in promotion, and is still receiving hits and attention almost 2 years after its release. A review of this demo can be seen at pghlocalmusic.com. Damien has been labeled as a future Hip Hop superstar who's laid back rapping style will help you get into the seemingly personal lyrics easily while the music fits the message perfectly. Keep your eyes open for the duo's release entitled Real Life Shit coming November 25th! A big thanks goes to all who support us and even more to all who hate and fuel us.
