All Around Sandy is a true story: Love Rocks. 10 MP3 Songs POP: with Live-band Production, EASY LISTENING: Love Songs Details: All Around Sandy is a 1982 digitally remastered production. Once again it shows the songwriting ability of Dave Bonney. You are taken through many moods and styles; not only are these hard and powerful songs but also has one of the most incredibly beautiful and enchanting songs on it called "Sandy", a true story. "I wrote this song to save a young girl's life who was on the one way street to addiction, if you listen to the lyrics you will understand. I met her in Frankfurt, Germany, and basically had to help her change her direction. I asked her 'if I write a song for you would you stop?', she did not believe me but she said yes." recollects Dave. "So determined to make I tried and tried, and Sandy was born; not only the song but the girl herself. Like magic, after hearing it she stopped and was also reborn. This was recorded just outside of Stuttgart, Germany in a place called "Kirch Am Tech" a beautiful small village in Germany at a super studio with the best musicians I've ever worked with. Ian grant who mixed it and mastered it in London at the time when all the Planets in our solar system were in line. Enjoy!!!! This album was originally called Waiting In The Dark Too Long
