A series of guided meditations channeled by Edemir that transport you into various scenes of nature. Each one uses the elements, various symbolic animals, and soothing music to lead you into a deep state of relaxation and transformation. 5 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Edemir is a spiritual healer, writer, speaker and intuitive channel from Brazil, who has a unique ability to connect us to the Universal Force, transmitting and directing healing energy wherever it is required. His healing gift comes from a great internal light and a constant tuning into the Universal Force of God or whatever you choose to call it. He has an ability to shift our energies, using great intuition, combined with extraordinary insight and love. Edemir was born with a special gift of healing. While he himself is humble about his abilities and acknowledges God and his guides as the whole source of his effectiveness, Edemir is a natural born intuitive and channel of love and healing energy. Edemir draws on many spiritual traditions in his work. He has studied Umbanda, a special African healing practice found in Brazil, and Zen Buddhism in Japan. He is a scholar of both eastern and western philosophies and meditation practices. His studies also include neuroscience and the energetic healing arts.
