

Mp3 Esem - Serial Human

[DOWNLOAD HERE](#)

"Serial Human" is not a sequel to his last album "Enveloped", instead it departs from its sound in the direction of more aural grit, and bit-crushed dsp crunch. 12 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Down Tempo Details: This is Esem's first album on Merck and second full release overall. He also contributed a remix of Machine Drum for Merck previously. "Serial Human" is not a sequel to his last album "Enveloped", instead it departs from its sound in the direction of more aural grit, and bit-crushed dsp crunch. Trying to not be pretentious, this CD is more based on a true story, compared to the dreamy nature of "Enveloped". Several of the tracks have been previously available on the net but all tracks have been remastered for CD. Another exciting new release from Merck, from a relatively unknown talent. Who would know that music this great could come from Bulgaria?
