high energy smooth jazz 11 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Smooth Jazz Details: High Energy Smooth Jazz is the best way to describe Hard Logic, the precision instrumental ensemble featuring saxman, composer Paul DeLoria. Influenced by groups like The Rippingtons, Spyro Gyra, and The Brecker Brothers, the group features a cast of western New York's finest musicians including Tony Castranova on electric and acoustic guitars, David Pinto on Bass, Greg Gilmore on keyboards, Bob Accurso on vibes and percussion, Chris Dembyotis on drums, and Paul on saxes and electronic wind instrument. The group plays material drawn from an arsenal of original instrumental music spanning smooth jazz, latin, funk, celtic, rock fusion and beyond. Currently, Hard Logic is out supporting the upcoming release of their debut album entitled, "Anytime Anywhere," available spring 2006. They have been performing at many regional festivals in the upstate/western New York area, and can be heard on popular jazz radio in this area as well.
