Details: Holiday "Mr. No Stress himself", out the Southwest part of the H-town. I have been rapping since 11 and recording since 17. I have been through a couple labels and as they say "money talks" and we were not speaking the same language. I stand 6'1 tall and Im a very laidback kind of guy. My name Holiday comes from me never really stressing too much. I'm always relaxed as if everyday were a Holiday. Im also a member of the Neo Click rap group in H-Town. My rap style all depends on the beat. I don't write my lyrics down because I learn not too long ago that I can remember them all and I hate writing. Holiday gets some of his musical inspirations from raps greatest like Jay Z, Notorious B.I.G, Tu Pac, Chamillionaire etc to mention a few. Holiday suffered a major loss about a year ago with the passing of his beloved mother. Her death only encouraged Holiday to further pursue his hip hop ambitions. This is so because his mum has always been his biggest fan. He hopes to fulfill his mums wishes for him that someday he would become a very talented superstar like Chamillionaire, Jay Z and the Notorious B.I.G. His mum always dropped him off at the studio and performances when he didnt have a ride. Holiday is currently working with an up and coming Houston group called Neo Klik. As a member of Neo Klik, Holiday has been on several tours in Texas, Louisiana, Alabama, Oklahoma to mention a few. They are currently on tour right now trying to promote their debut album, Black Friday. At age 19, Holiday is set to take the hip hop industry by storm. He is currently working with Mpressive Entertainment to drop his solo album, Holiday Season with features like Trae, working on a feature with Lil Flip, Lea and possibly Cham, Bun B, Pimp C etc.
