Ambient Electronic, New Age. This is a very pleasant CD with peaceful soothing music. Nice and calm relaxing music. 15 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: Kenneth J. Williams, was born on the island of Guam December 22, 1967. By the age of 13 he was mostly spending all his time playing video games and thought he has got to learn how to make these. He started trying to learn how to make games only one thing he also had to do if he wanted to make games was to learn to play music to. So he started messing around with music on his computer and bought a few keyboards to play on. He kind of got the hang of it and now he makes a few games every now and then along with some killer music to. In the Audio CD's titled "Kenneth J. Williams," and "STAR WAVE X" he is planning to put the music into his fourth video game for the PC "Army of Destruction 2" when he completes it. And he has began to add music from "KRYSTAL STARS," and "Over Your Head" CD to the new game too. Kenneth J. Williams, Plays Electronic, , Ambient, New Age, and Dream style Music.
