electronic and piano music 14 MP3 Songs ELECTRONIC: Virtual Orchestra, CLASSICAL: Contemporary
Details: Imagine to travel for new roads, looking for emotions. The atmospheres of this album are various, you find melancholy, quiet, meditation but also rhythm and energy. Memories, suggestions, feelings and dreams are painted every time in a personal way. Sometimes this is expressed through classic, jazz, sometimes minimalist and rarefied atmospheres, often with a fusion between these musical genres. The approach of Leo Di Gennaro to the composition is not univocal. Sometimes he composes music playing the piano or the keyboards, others he writes music, above all when it composes for piano to four hands, others he still creates arrangements using electronic instruments. The method is finalized to the style. Among his past experiences, Leo Di Gennaro enumerates periods of experimental music, of improvisation and of soundtracks composition.
