FEATURE FILM PLACEMENT: My song IF U DON'T MIND was chosen for the score soundtrack of the feature film THE BLISS which premiered Oct. 2nd in Hollywood!! WHAT I DO: Adult alternative with ethnic spice is what Michele Moreno mixes up with her sensual voice, electronic touches and world influences. BIO: Michele began her career as a backup singer for several California-based indie bands and then met talent manager Atallah Shabazz, who placed her on a tour of Latin America with Spanish superstar RAPHAEL. Upon returning to Los Angeles, Michele focused on film TV scores. Her vocal credits include the feature film KINGDOM COME (starring Whoopi Goldberg) HBOs SIX FEET UNDER. Then in 2002, she landed an audition with the legendary RAY CHARLES. Her lush, smooth vocals won him over and she went on

the road again, this time as one of five Raelettes on the RAY CHARLES East Coast tour. Michele then went down under with her husband to Brisbane, Australia where she launched the BIRDIE MENDOZA show (jazz, Latin and Brazilian standards). All the while, she was composing co-producing her own brand of trip-POP songs. While drawing from ambient artists such as DIDO, ZERO 7, MORCHEEBA and FROU FROU, Michele began adding world influences to her music, such as Middle Eastern inspired vocals and ethnic instruments like hand chimes, Asian mallet instruments and latin percussion. Her world sound is influenced by global-centric artists such as DAVID BYRNE, BECK, THE BEATLES and LISA GERRARD. Her blend of pop electronica with world flavor makes her music ambient, modern and mysterious.
