***** Dear Pamela I'm playing your CD "Earthtones" this morning, whilst I'm working. I have so much to do this week, that I felt the stress levels rise across my neck, shoulders and back. So I went for a 4 mile run, shower, breakfast, read for 30 minutes then put your CD into my PC to

start working. It's lovely, I'm floating while I'm working and the tension is seeping out of me. Thank you!
Thank you! Thank you! Kind regards, David Scarlett Small Business Coach, Speaker, and Best-Selling
