FunkHipHopSoul 7 MP3 Songs URBAN/R&B: Funk, HIP HOP/RAP: Hip Hop Details: The funky sound of the 70's is back laced with some Hip Hop grooves. Along with some of the finest musicians on the east coast Poppa Step emerges with a sound that is taking music back to its roots. Check out the funkadelic sound of "Lets Live" along with the live sound of the legendary Chops Horns or the funky bass of Al tanner (Bassest on Madonna "Holiday") on "Dancefloor". If your into soul cutting lyrics check out "Down On My Knees" or the Hip Hop laced "U Wanted Out" a collaboration with Trisco Pearson of the legendary Force MD's. If you need a dose of the islands check out "Shock Dem" a must for all DJ's that want the crowd on the floor. This album is a must for any serious music collector. Extra features include a custom insert by artist Jah lamarr and mastering by the master himself Herb powers Jr.
