A Real Raw Flava With a Street Game Philosophy. 15 MP3 Songs HIP HOP/RAP: Hardcore Rap, URBAN/R&B: Funk Details: Back at it again is that cat who told you about being Ohioplayalistic! This Youngstown Ohio native has completed his sophomore CD LETZ RYDE after selling hundreds - n - hundreds of his debut CD across the world. Aaron Harris also know as Super Nova took these last few years to produce for other artists. Of these artists includes R&B singer/songwriter Shyleek (available on CD BABY). He produced 9 of the 12 tracks and wrote 2 of the songs. Preach also helped out long time friend Dame Adelic by producing a couple of tracks (Higher/Rotten On Cloud 9) for his CD Follow Me (also available on CD BABY). He is still expanding his production by working with other up and coming artists. So keep your eyes open. And if you dig his street game philosophy and one liner antics that he displayed on the 1st. CD, youll love this one even better. So check it out!
