

Mp3 Puracane - In Limbo: The Lost Puracane Sessions

[DOWNLOAD HERE](#)

A Trip Hop treat, Puracane combines hypnotic electronics beats and textures with the powerful and sultry vocals of Ali Rogers. The first Puracane album in five years, after the acclaimed "Things you should leave alone". 14 MP3 Songs ELECTRONIC: Down Tempo, HIP HOP/RAP: Trip Hop Details: Puracane began as a duo in 1999. Vocalist Ali Rogers and producer David Biegel co-wrote the album 'Things you should leave alone', released by Ubiquity records in 2000. Ali Rogers decided to take the project from the studio to a live act and in 2000 Puracane played shows with Sting and Duran Duran and in 2001 with Jane's Addiction and Depeche Mode. Puracane's music featured in the film Driven and the TV shows Felicity, Smallville, Las Vegas, Road Rules and Real World. Today Puracane are Ali Rogers on vocals, Juan Masotta on guitar and electronics, Drew Thurlow on bass and Andrew Griffiths on drums. Currently the band is about to start presenting live their latest album, "In Limbo: The Lost Puracane Sessions"
