sexy delivery over brutal beats best describes this hip-hop addition. 18 MP3 Songs HIP HOP/RAP: Hip Hop, POP: California Pop Details: Out of the thundering and dark clouds she drops: RAIN. A newcomer to the recording industry Lady Rain is her monicker and she hails from Inglewood, California. The artist Rain was born in Pensacola Florida but has lived in Inglewood for much of her lifetime. She enters the Hip-Hop communtiy with a sweet and majestic look but a "don't get it twisted flow", she is destined to capture the hearts and radio time of a broad variety of fans. Lady Rain comes from a musical background where she learned to compose music and played the clarinet for 7 years. This would be the foundation for her future in the recording industry. She wrote poetry and started rhyming fresh out of high school, was busy taking on a full- time job and her dreams to be in the recoding industry were defferred. She hits the streets now with her poster that features her and her Raindolls. The poster markets the Pit Bull Energy Drink product. She has a perfume Raindrops for which she has sold more than 5000 bottles. She has her new RAINFRAMES stunna shades that she created just for fans who want to get their shine on. The artist Rain has been gigging locally and locking up industry showcases showing the southern part of California who she is. Raindoll A.K.A the Duchess is friends with her locals YOYO, Ms. TOY, Medusa, Damani, Rappin-4-Tay, Michelob, Federation, Mac 10, Snoop Dogg and so many more. Lady Rain is the executive producer of her debut album "SOFT WET". On the album she has been produced by Carlos Mckinney of Urban Legendz (J Records LYRIC) for songs "My Way" and "I still Love You" featured on myspace.com/1rainrain. She was produced by Bac 2 Bay 6 Ricky Smith (produced Suga Free) for "Lady Rain", also with D&A Beats(produced Sly Boogie R&B) who did "Bye Bye Boo", and "Soon as they See Me" . Lady Rain is a phenomenom out of the 2000 Crowz family the first female Crowz to executive produce her own album and television show entitled "Crenshaw Live" which she displays independent

talent. Some of Soft Wet was produced by Tcad of 2000 Crowz and 14k of the Crowz family. Lady Rain is the host of Crenshaw Live and ASD N-the Mix a video countdown show, she is a freelance television producer, and a performer with 4 dancers and DJ Twinn. She has been compared to Left Eye and appreciates the resemblance to such great lyricist, that she once looked forward to meeting may she RIP. But she insists her flow is her own listen to "SOFT WET" and come into Rain's World.
