

Mp3 Rev7 - The One

[DOWNLOAD HERE](#)

All the music that came from gospel, return to their roots. Funk, R&B, Soul, Jazz and traditional. Something for everyone. 12 MP3 Songs GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz Details: Allen Cuffey Singer, songwriter, multi instrumentalist, engineer and producer. Allen is a career recording artist and considered by many of his peers to be a musicians, musician Allen is a staple in the New York music scene. His impressive list of career accomplishments can be read at gospelhome.net Leah Cuffey Singer, songwriter, CEO of Cuffsongs Music Publishing and Vice President of G.I.G. Productions. Leah is a sincere vocalist whos true heart can be heard in her work. leah has been singing in church from her youth and is presently a respected vocalist and sought after songwriter and lyricist. Rev7, is a studio collaboration between husband and wife team Allen and Leah Cuffey and a choice selection of studio musicians and vocalists. Following the traditions of groups like Steely Dan and The Doobies as well as individual artists like Stevie Wonder and Prince, Al Leah (as they like to be called) have drawn primarily on their own talents as writers, arrangers, musicians and vocalists to conceive a new uniquely refreshing style of praise and Worship music. Gospel may be their designated category, however the music of Rev7, straddles the oblique lines between Gospel, Funk, Christian, Smooth Jazz, R&B, Soul and Traditional, their music offers something for everyone! As the music industry is in a state of change, so is the music of the industry. The music of Rev7 is in line with that change, fusing elements from all styles of music and returning them to their roots. Their first release titled The ONE on the Bulldog Evans Records label, will be available on line October 1, 06 Radio promo will begin in mid October. Look for Rev7, joined by New Yorks musical elite, to begin touring in the summer of 07 and their second release in the fall.
