

Mp3 Tarius - Snitches Get Stitches

19 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: Tarius, Hip Hops newest and brightest star hales from Rosedale Mississippi. Rosedale gets it fair share of action and if youre not careful you could end up as one of the town statistics. However that being said, the streets have given Tarius plenty to rap about and have definitely influenced unique style and use of metaphors (which is quite refreshing if I might add). His debut CD (Snitches get Stitches) was leaked to his home town and caused one overly enthusiastic fan to break a car window because they couldnt get a copy. If thats any indication of how good Tarius is Id say move over Jay-Z and look out 50. Right now Tarius is planning his North East promotional tour in support of his Snitches Get Stitches CD and when thats done look out South. In this Business when rappers are a dime a dozen and they go as quick as they come, when a Tarius shows up youd better hang on because in the not to distant future hell have the whole world hollering Whos This!!!
