Up-tempo Soul Blues 10 MP3 Songs BLUES: Rockin' Blues, BLUES: Chicago Style Details: Bio Tenry Johns has come a long way from his humble beginnings in Shelby, Mississippi. While cutting his teeth in early high school bands, he migrated to Chicago in the early 60's with John Lee Hooker. After 30-plus years as a band leader for Denise LaSalle and Bill Coday and opening for stars such as Natalie Cole, The Spinners, Johnny Drummer, and Little Anthony and the Imperials, and recording several 45s with Curtis Mayfield's Gemico label, Tenry has made the leap to front man with his debut CD, "In Here Tonight." With plenty of airplay in the Chicagoland area, loads of gigs every weekend, including Taste Of Chicago, Kingston Mines and Isaac Hayes', and many good reviews in such staples as the Frost Illustrated Jackpot Soul Blues Top 20 List, Living Blues, Blues Access and Blues Review, Tenry Johns has become a name to watch. Now Tenry Johns has released his second CD for 2004, titled "Need Your Love." This CD will make you dance, it has a good upbeat Blues and Soul vibe all the way through it. When you get this CD, you will tell your friends The King Kong Rocker has broken loose and is climbing the heights!
