Twelve piece original funk band, featuring five killer horns, an awesome rhythm section who despise each other, two sexually depraved female singers, who all lay it down for our own Reverend of Funkdom, the outrageous Carl Roberts. 11 MP3 Songs URBAN/R&B: Funk, ROCK: Funk Rock Details: The New Breed Orchestra is a band of misfit, fucked up, depraved men and women, who have spent the majority of their musical careers in rehab. They always deliver an audience whose sexual identity is a mystery. Hose off your Voodoo mask and lubricate your rubber gloves. You can join in and pleasure yourself to our original hard pounding funk, that is the NBO. Our lead singer is from Ireland,--so fucking what. His James Brown inspired soulful voice begins at his bowels and finishes with a scream. We're very proud of our horn section. We have spent considerable money to choreograph dance moves for this five member section. That was definitely the biggest fucking waste of money we have spent. However, if you happen to have a circus come to town, you can throw them into a tent with the 600 lb. Lady and the Siamese dwarfs. The New Breed Orchestra is a "twelve" piece original funk band, featuring five killer horns, an awesome rhythm section who despise each other, two sexually depraved female singers, who all lay it down for our own Reverend of Funkdom, the outrageous Carl Roberts. You won't be disappointed when you listen to the "Voice of the Revisionist Funk Movement". You'll hear why this band has been pumping heavy funk to sold out crowds, most recently at the House of Blues in Hollywood and The Belly Up in Solana Beach. Take a listen to our CD and hear the band that wrote the book on Revisionist Funk.
