

Mp3 Thierno Koite - Ubbite

[DOWNLOAD HERE](#)

This album has a unique and exciting fusion of traditional African music with more popular influences such as jazz and soul. 14 MP3 Songs WORLD: African, WORLD: World Fusion Details: Following rave reviews for his debut album Teranga. Thiernos latest release Ubbite meaning Opening is a unique and exciting fusion of traditional African music with more popular influences such as Jazz and Soul. Alongside his desire to promote different genres of Senegalese music, more importantly Thierno successfully highlights the social and political issues for Africa, including poverty and aids. The hit singles Sandji Yo, Tawhid, and NEPAD are perfect examples of this.
