A collection of mid-tempo pop/rock featuring a sordid guitar, soft deep drums and three part harmony. 14 MP3 Songs ROCK: 90's Shake POP: 90's Pop Fat Tuesday Songs Details: Three James Morgan is a Milwaukee founded rock band with influences stemming from anything and anywhere. This CD is a collection of songs recorded in 2001. Because of the strange amounts of cough syrup the band drinks and general lack of intelligence, the group decided to combine every musical influence they've had into this CD. These styles would range from 60's pop, to jazz, to ska, to progressive rock and everything in between. If you have issues, this might be the thing just for you. This is what people are saying about the group: "Intense" - John Fieldman, sheep herder "Tasteless" - Barb Trewyn, financial analyst "I don't know about the music, but I think the drummer might have some body odor" - Lisa Staube, sensitivity trainer Remember, only sexy people like Three James Morgan.
