

## Mp3 Tony Falzano - In Abba's Arms

[DOWNLOAD HERE](#)

Instrumental music that soothes the soul and quiets the mind. 12 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation Details: Rich with ear friendly melodies and soul comforting harmonies, In Abbas Arms is soothing, ethereal music. It is an inspirational companion for those in need of healing and hope. The music is uplifting, balanced and has purpose, to give you a deep listening experience. You can also enjoy In Abbas Arms anytime of the day or night, from morning meditations to your drive to and from work. You can play it while you cook, relax and as a sleep aid. The album consists of 12 carefully crafted original instrumentals and contains a generous 72 minutes of music. The composer uses the instruments of the orchestra to bring to life the meaning of each title on the album. Though it contains elements of traditional, eastern music, the music of this album is very western oriented. As one person says, its nice to meditate to American music. You are invited to join a growing group of people who enjoy the joy from listening to, In Abbas Arms. "In Abbas Arms is special. As the album cover suggests, put your arms around this music and embrace it." Mark Grevelding - International Fitness Presenter, free-lance writer and meditator

---

Tony Falzano is an award winning songwriter who is celebrating 35 years of composing music. His songs have been used for massage, meditation, reiki and pilates sessions as well as being a significant part of many prayer services. Tonys music has also been played in a number of public establishments where soothing, celestial music was needed. His highly regarded, The Fishermans Net, off his new CD, In Abbas Arms, was used on Barbara J. Litterios, Chakra Meditation, released last year. In addition, he has written numerous songs that have been performed for musical theatre, cabaret, and special projects. His compositions have been regularly heard by millions via internet radio.
