Music for Children to Dream by. This is bedtime music for children. Uncle Widget recommends playing this album on repeat at a low but audible volume. Foster peace and creativity in your sleeping child with Bedtime on Mars. 11 MP3 Songs KIDS/FAMILY: Lullabies, KIDS/FAMILY: General Children's Music Details: The lights are dim, toys neatly put away. Your small child is clutching a blanket and rubbing her eyes. The music is... wait, there isn't any music. Why not? Well, your aunt gave you a CD of lullabies at your baby shower... but Brahms got old quick, and "Sweet Child of Mine" just sounds funny when sung softly by a woman. Meet Uncle Widget. He crafts soundscapes that foster peace and creativity in your sleeping child. Uncle Widget's first creation, Bedtime on Mars, is music for your children to dream by. Pop his bright red CD in your baby's player and turn the volume down low. If you listen closely, you'll hear bits and pieces of familiar songs you loved as a child, whimsically reconstructed. Uncle Widget soothes your little one's soul and delights her mind. Bryan Murdaugh was bounced up and down the eastern seaboard as a child, with a piano under his arm and a song in his head. Intrigued by electronic music, vintage analog synths and electric pianos from infancy, bringing the joy of music to very young children is a cause he believes in.
